Re: *CosmoKey Solutions GmbH & Co. KG v. Duo Security, Inc. n/k/a Duo Security LLC and Cisco Systems, Inc.*, C.A. No. 18-1477-JLH-CJB

Dear Judge Hall:

Pursuant to the Court's January 31, 2025 Oral Order (D.I. 397), the parties write to inform the Court that they conducted an in-person mediation in New York, NY on April 10, 2025, with Michael A. Jacobs from JAMS serving as mediator.¹

In attendance at the mediation were Scott T. Weingaertner and John P. Padro of Goodwin Proctor LLP, lead counsel for Plaintiff, and Brian Rosenthal and Nathaniel Scharn of Gibson Dunn & Crutcher, lead counsel for Defendants. Both sides also had client representatives attend the mediation. The mediation lasted for approximately five hours and did not result in settlement.

Lead counsel for both parties certify that they engaged in mediation efforts in good faith. While the parties do not anticipate immediately resuming mediation efforts, the parties have agreed to reconvene within two weeks of any decision issued by the Court on Defendants' pending motion for summary judgment (D.I. 418).

Counsel is available if the Court has any questions.
